

About us

Present in India for over 100 years and a significant player in the Paints industry.

Over the years, it witnessed sustained expansion, growth and transformation. In 2008, AkzoNobel N.V. became owner of the entire equity share capital of Imperial Chemical Industries Ltd., by virtue of which the Company became a member of the AkzoNobel Group.

AkzoNobel India manufactures and markets paints, coatings and specialty chemicals.

Dulux is its most popular brand of its Decorative coatings business while the Performance Coatings business provides solutions to many industries and sectors including automotive, consumer electronics, power, aviation, shipping & leisure craft, construction, oil & gas, water & waste water, food & beverages, etc.

Its chemicals business in India sells more than 30 products grouped under organic peroxides, metal alkyls and Polymer additives to pharmaceutical companies, polymer producers, composite & rubber industry. Every year we try and introduce new products in India to further strengthen our position as an innovative specialty chemicals company.

With employee strength of close to 1,800, AkzoNobel India has manufacturing sites, offices and distribution network spread across the country.

All its five manufacturing facilities have an ISO 14001 certification for environmental management system.

Its commitment to Health, Safety, Environment & Security (HSE&S) has been amongst the best in class globally, with due care being taken to protect the people and the environment.
